Meeting Minutes

**In attendance:**

John Sandhu (President)

Andreas Kadavanich (General Secretary)

Harv Dhaliwal (Vice President)

Amrik Dosanjh (Yuba City FHC)

Arvind Singh (Chair for Youth Development)

**Agenda items:**

1. Discussed use of Yuba City Polygrass hockey fields for BAFHA events. Main concern was to ensuring discipline on and off the field. The Executive Council is to provide a clear set of guidelines to Yuba City FHC to explain what targets need to be met for BAFHA to support holding events there.
2. It was pointed out that BAFHA does not have a clearly defined process for appealing umpire's decisions, similar to what is done at tournaments. The Executive Council decided that the umpiring chair should report on whether a more formal process is needed and if so, propose a mechanism.
3. Fremont has withdrawn from the league. The schedule needs to be revised for this. The BAFHA Youth (U18) team will substitute in the schedule for June 8.
4. Additional field time is available at Leland High School. Looking to fill gaps in the schedule on June 15, July 13.  
No games are to be held the July 4<sup>th</sup> weekend since a lot of people won't be available for the holiday weekend.
